PROFESSIONAL SUMMARY

I am a highly motivated BBA Honours student at Christ University Delhi NCR, eager to gain hands-on experience through an internship. With leadership experience as a Sports Club office bearer and active involvement in an NGO, I have honed my skills in team coordination, event management and problem solving. Additionally, my exposure to Excel, SQL, Power BI and Tableau has sparked my interest in data-driven decision-making. I'm looking forward to applying my skills in a dynamic environment while learning from real-world challenges.
